

BLUEGREEN AT ATLANTIC PALACE
1507 BOARDWALK
ATLANTIC CITY, NEW JERSEY 08401
609.344.8800

Bluegreen at Atlantic Palace stands tall at one of the most coveted locations in Atlantic City: right on the Boardwalk at New York Avenue. If you recall your Monopoly® game, that means you are right in the heart of the casino district.

From each villa of the gleaming 31-story-tall Atlantic Palace, the view is stunning: from one side you'll overlook the shimmering sands of the beach and the azure blue Atlantic Ocean; from the other, the dazzling neon lights of the impressive Atlantic City skyline.

During the summer season, you can cool off from the hot casino and Boardwalk action by taking a dip in the resort's outdoor pool and lounging on the sundeck. For the ultimate relaxation, step into the indoor hot tub, steam room or sauna. Or if you're feeling energetic, you can work out in the fitness room while the kids work out their energy in the game room.

Each suite is a comfortable home-away-from-home, complete with a cozy kitchen and whirlpool tub. Studio suites feature an open floor plan with queen or double beds. One-bedroom suites feature a private bedroom and living room, while the two-bedroom suites also include a dining area.

From your suite, you're in the middle of all the action: restaurants, outlet shopping, the convention center and plenty of casinos, including Bally's, Caesars, Trump Plaza and Trump Taj Mahal. For your convenience, you'll find covered parking and a 24-hour front desk to assist with every aspect of your stay.
