

Back-in and Pull-through RV Sites Now Available!

As you approach Christmas Mountain Village, driving between endless rows of picturesque pine trees, you will feel as if you've left the real world behind. What lies ahead is strikingly beautiful farmland, rolling hills, woods and golf course greens.

The spring and summer seasons host vibrant green grass, leafy trees and colorful daffodils and wildflowers. Fall ushers in vibrant gold and red hues with crisp autumn air, followed by billowy snows that transform the landscape into a winter wonderland. Wildlife is abundant here, so keep your eyes open for deer, wild turkey and fox.

There's so much to do on this 800-acre family-friendly resort you may choose not to venture out. The 27-hole championship golf course features a putting green, range and "Back of the Oaks: the best new 9 in the state." Strike up a game of tennis or go for a swim in indoor or outdoor pools.

In the winter, you can enjoy some of the region's best family-oriented downhill and cross-country skiing. Our 11 downhill runs feature beginner to black diamond slopes. Brush up on your skills with a ski school lesson, shred it up snowboarding, zoom down the snow tube run or experience the thrill of night skiing.

When you're ready for a change of pace, visit the new clubhouse. Frolic in the indoor pool complete with splash features, soak in the hot tub or visit our three dining establishments: Mulligan's Sports Bar and Jolly's Burgers, Brats & Fun.

Mulligan's Sports Bar is the perfect place to kick back and watch your favorite sports teams and events on our 8 big-screen plasma TVs. Splurge on regional favorites like Wisconsin cheese curds and delicious hot bratwurst. Or if you're in the mood for piping hot pizza, try our garlic-kissed thin crust cheese pizza with your favorite toppings.

The view from **Mulligan's** is simply unbeatable. Overlooking the golf course, slopes and lighted tree line, Mulligan's welcomes you with a cozy lodge ambiance.

If you just want to grab a quick bite between the front and back nines or take a break from the slopes, then head to **Jolly's** on the first floor of the clubhouse. This family-friendly, smoke-free bar and grill offers a fun, eclectic atmosphere for lunch or dinner. Open seasonally.

At the end of the day, melt away your cares in front of the cozy fireplace featured in each of our various vacation homes: cabins, cottages, villas, timbers and townhomes.

Spend your nights under the stars in your RV! For a fantastic outdoor adventure, Christmas Mountain Village now offers **RV sites** for Vacation Club owners!
