

Located on over 1,000 acres of rolling hillside and lush pasturelands with a scenic 60-acre lake, Shenandoah Crossing is the perfect place for those who love the outdoors.

The ambience at Shenandoah Crossing reflects history and wilderness. The resort combines an old country estate and horse farm, with acres of wilderness in a pristine area that lies just beyond the Shenandoah Valley.

Choose from traditional 2-bedroom to well-appointed 3-bedroom cabins, chalet-style homes, and glamorous yurts. Shenandoah Crossing also features state-of-the-art RV sites with furnished patios and summer kitchens. Some add personal hot tubs and stainless steel barbecue grills.

Luxury Yurts offer stylish furnishings including four-poster beds with plush linens, flat-screen TVs, elegant bathrooms, and fully equipped kitchens, all with central heat and air. Stay in an open-plan yurt with one bed and pullout couch or a 2-bedroom unit, plus pullout couch (see Floor Plans). You'll also enjoy a large wooden deck with a summer kitchen.

Accommodations range from wilderness tent sites and RV sites to comfortable, lodge-style hotel rooms in the main Lodge Building. Plus, you have access to rental space in the historic Manor House.

Shenandoah Crossing also offers a variety of rental options to accommodate large parties, business events, or family reunions! For more rental information regarding your next big event, call **540.832.9400**.
