176 EAST HERSHEY PARK DRIVE  
HERSHEY, PENNSYLVANIA 17033

The chocolate-charmed town of Hershey is a flavorful family attraction, and The Suites at Hershey provide all the ingredients for wholesome family fun. Warm up in the outdoor heated pool and hot tub while the scent of chocolate lingers in the air, or enjoy the sweet aroma while relaxing in a screened gazebo. You can also gather 'round the picnic area and grill up a good time.

The kids can entertain themselves at the playground and game room, while adults can burn off their chocolate indulgences at the fitness center and basketball court. You'll also want to check out the Cocoa Train observation tower and watch the trains chug by carrying cocoa beans and sugar to the chocolate factories.

The spacious, modern suites feature a full kitchen and scenic views of the rolling hills of Pennsylvania. The resort's close proximity to all the attractions – theme parks, nature trails, historic sites, shopping, restaurants and more – is an added bonus.
