

RESORT SIXTY-SIX
6600 GULF DRIVE
HOLMES BEACH, FLORIDA 34217
941.778.2238

This cozy beach hideaway will embrace and welcome you with its casual elegance and intimate charm. Some rooms overlook a quaint courtyard lush with palms, hibiscus and native grasses, while beachfront villas have a private screened-in porch that offers a spectacular view of the Gulf of Mexico.

At Resort Sixty-Six, the day begins and ends on the beach. Wake up with a leisurely stroll on the sun-kissed beaches. Start a shell collection with the assortment of shells left behind by the surf. Indulge in a good book with the waves lapping at your feet or bask in the warm Florida sun by our secluded beachside pool and hot tub.

Grill your own outdoor feast in the courtyard, or for a taste of fine dining, visit the Beach Bistro, an award-winning, five-star restaurant. This cozy beachfront establishment serves exceptional continental cuisine and offers an array of top-shelf wines. From succulent seafood to delectable desserts, you will savor every bite.

After a romantic dinner at the bistro, keep the mood alive with a moonlight walk on the beach. You will fall in love all over again as the moonlight reflects like diamonds off the water and the gentle breeze sweeps you back in time.
