

BLUEGREEN WILDERNESS CLUB™ AT BIG CEDAR®
1285 ESTATE DRIVE
RIDGEDALE, MISSOURI 65739

Patterned after the grand wilderness lodge architecture of the Adirondacks, Bluegreen Wilderness Club™ offers the ultimate family-friendly retreat. This 40-acre resort is situated on Table Rock Lake, just 10 miles south of Branson, Missouri. With a plethora of activities for all ages and access to all the amenities of neighboring Big Cedar® Lodge, your days will be full without ever leaving the resort.

The regional charm of the Ozarks is reflected in the rustic elegance of the Wilderness Club's log cabins and lodge units, all with a view of the lake or woods. The attention to interior detail is unsurpassed. Each spacious cabin has vaulted ceilings, a fireplace, whirlpool bath, homespun area rugs and a 350-square-foot deck with gas grill. Lodge units feature wood-planked floors, spa-sized tubs (except in studios), patios, hickory sapling furniture and mountings of trophy bucks and game birds. Some also include a cozy fireplace with a split log mantle.

The 9,000-square-foot clubhouse houses a game room, owners' lounge, retail store, snack bar and activities desk. But the crown jewel is the Lazy River, an 875-foot water feature complete with caves, rock grottoes, waterfall and a water slide the kids are sure to love (open Memorial Day through Labor Day). Kids will also enjoy the playground, complete with a rock climbing wall.

Bluegreen Wilderness Club is located adjacent to the historic Big Cedar® Lodge and provides guests access to a vast array of entertainment and recreational pursuits. You can go boating, fishing or water skiing on pristine Table Rock Lake. Explore the shores from a canoe or paddle boat available at the full-service marina. Work out in the fitness center then relax in the heated pools, hot tubs and sauna, or treat yourself to a massage in the spa. Enjoy world-class cuisine at your choice of four restaurants including Truman Smokehouse, The Worman House and Devil's Pool Restaurant.

Land lovers can go hiking and horseback riding along the wooded trails. Enjoy breathtaking views from Top of the Rock, a Jack Nicklaus signature golf course. Photography is also a popular pastime here.
