

GRANDE VILLAS AT WORLD GOLF VILLAGE®

100 FRONT NINE DRIVE
 ST. AUGUSTINE, FLORIDA 32092
 904.940.2000

Country club living at Grande Villas at World Golf Village® is unsurpassed. This year-round golfer's Mecca offers two championship 18-hole courses designed by legendary golf pros Jack Nicklaus and Arnold Palmer. And that's just for starters.

There's plenty to do for non-golfers, as well. Practice your backhand on the tennis courts, shoot some hoop on the basketball court, perfect your spike at the volleyball net or pump some iron in the fitness center. After you've worked up a sweat, cool down with some leisurely laps in the spectacular heated pool. The showplace of Grande Villas, the pool is as refreshing to the eyes as it is to swimmers and sunbathers.

All of the World Golf Village amenities are also yours to enjoy. Restaurants, shopping, an IMAX® theater and the World Golf Hall of Fame® are just a short walk away. Enhance your golf attire at the PGA TOUR STOP®, the largest golf shop in the U.S. or try out the interactive putting greens at the Hall of Fame.

World Golf Village and World Golf Hall of Fame are registered trademarks of World Golf Foundation, Inc. All other marks are property of their respective owners.
