We can arrange a variety of tours for you, from water taxis to the Everglades to viewing celebrity homes. We'll even do your grocery shopping prior to your arrival!

From the outside in, Solara Surfside blends with the local Art Deco architecture. The pale blue and green exterior with white accent design reflects the hues of the ocean, and the dramatic night lighting, punctuated by tropical palms, is a spectacular sight. Once you step inside the lobby with its oak walls, marble counters and decorative tile floor, you'll know you're someplace special.

With miles of golden beaches and the inviting Atlantic Ocean, as well as a year-round heated pool, whirlpool, shuffleboard, ping-pong and beach volleyball, there's plenty to do on site. But you won't want to miss all the activities nearby: water sports, fishing charters, upscale shopping, fine dining and sightseeing.
